

Employee benefits, simplified.

Nava Benefits is a tech-enabled brokerage that harnesses modern tools and solutions to make great benefits easy for mid-sized employers.

One partner for all of your employee benefits needs

✓ Renewal Strategy

Say goodbye to disorganized, rushed renewals. Nava's proprietary technology builds a custom work plan based on your organization's situation and goals so you can get an effective strategy designed with time to spare.

✓ Benefits Administration

Unlike traditional brokers, Nava gives HR back dozens of hours a week by managing the difficult and error-prone benefits tasks such as eligibility management, billing audits, and compliance calendars.

✓ Member Support

Avoid repetitive questions and the constant deluge of employee issues. Nava gives your employees direct support through an intuitive platform with our benefit experts ready to answer any question.

PERFORMANCE GUARANTEE

All backed by an industry-first performance pledge.

Nava Benefits offers the industry's first money-back performance guarantee, which means our fees are transparent and contingent on your satisfaction.

“You shouldn't call yourselves brokers; Nava is so much more than a broker.”
